Cleaning Expectations

Each team is asked to complete the following:

- Vacuum the sanctuary and main traffic areas.
- Ensure all bathrooms are clean and restored to proper order.
- Restock bathroom supplies as needed.
- Empty trash receptacles.
- Wipe down surfaces and high-touch areas.
- Complete normal Building Care Team responsibilities.
- Check the basement area and spruce up as needed to maintain a welcoming appearance.

Team Effort

We are asking everyone to work together to complete these tasks as efficiently as possible. If all team members assist immediately following service, the work can be completed quickly and ensure our church remains presentable throughout the revival weekend.

Even if it is not your team's assigned cleaning day, we welcome and encourage any additional help. Those who are available and willing to assist after service are invited to do so. Many hands make light work, and your support will help us complete the cleaning more quickly while maintaining a spirit of unity and excellence throughout Shekinah Revival 2026.

Thank you for helping us maintain God's house with excellence as we prepare for what we believe will be a powerful move of God during Shekinah Revival 2026.
